From the author of Happiness for Beginners comes an unforgettable love story about finding joy even in the darkest of circumstances.

Margaret Jacobsen has a bright future ahead of her: a fiancé she adores, her dream job, and the promise of a picture-perfect life just around the corner. Then, suddenly, on what should have been one of the happiest days of her life, everything she worked for is taken away in one tumultuous moment.

In the hospital and forced to face the possibility that nothing will ever be the same again, Margaret must figure out how to move forward on her own terms while facing long-held family secrets, devastating heartbreak, and the idea that love might find her in the last place she would ever expect.

How to Walk Away is Katherine Center at her very best: an utterly charming, hopeful, and romantic novel that will capture reader's hearts with every page.
